

QA Level 2 Award for

Community First Responders (RQF)

Ofqual regulated

2 day course

Certificate valid for 3 years

Course Overview

The **QA Level 2 Award for Community First Responders (RQF)** is ideal for those who are currently performing as, or aspiring to perform as, a community first responder. Regulated and nationally recognised, this qualification has been specifically designed to provide Learners with the knowledge and skills needed to administer initial emergency care at life-threatening incidents prior to the arrival of further medical assistance.

During this 2 day course, Learners will gain the necessary skills associated with the assessment, treatment and stabilisation of patients at life-threatening incidents.

What's Covered?

- ⊕ The role and responsibilities of a community first responder
- ⊕ Assessing a scene at an emergency incident
- ⊕ Assessing a patient, including:
 - Primary survey
 - Secondary survey
 - Patient handover
- ⊕ Assessing and managing a patient's airway
- ⊕ Managing an unresponsive patient who is not breathing normally
- ⊕ How to use an Automated External Defibrillator during a cardiopulmonary resuscitation attempt
- ⊕ Administration of emergency oxygen
- ⊕ Community first response equipment
- ⊕ Managing patients:
 - in shock
 - with breathing difficulties
 - with anaphylaxis
 - with a suspected major illness
- ⊕ Conducting and recording base line observations
